Dear Jason

Re: Ginkgo's assistance to Chessington Scout Group

On behalf of 1st Chessington Scout Group, we would like to extend our thanks and gratitude to yourself and Ginkgo for being so generous in allowing Duncan to use your equipment and disposing of our green waste from a much needed recent headquarters cleanup and workparty.

For many years the scout hut and surrounds have needed some attention and we have recently managed to gather sufficient support and volunteers to join in and contribute to a continued drive to improve the facilities. As you may or may not know, we are a charity and do unfortunately need to rely on kind contributions such as yours to keep us going from time to time.

We are going to add a copy of this letter to our website, and to our noticeboard at the scout hut along with a Ginkgo logo to show our gratitude for your generosity. Below is a link to our website should you be interested in seeing the progress we have made and again with your support may not have been possible. Please see <http://www.chessingtonscouts.org.uk/> and view our recent posts. Following this, there will be an update to our website showing our thanks to yourselves. If you would be so kind as to email me a decent quality logo we could use for the material we distribute it would be appreciated.

We will be following up with Duncan in the near future to work on removing the remaining green waste which we hope will not be more than two more lorry loads and trust this is still not an issue for you. Once again, a very big thankyou for your support.

Please feel free to contact me directly should you have any concerns. My phone number and email address are above. If you would be so kind as to email me so I have your contact details that would be appreciated. I can then at least send you weblinks from time to time and share the progress we are making and so you can appreciate what positive impact your support is providing.

Yours sincerely

Mike Vorster, Group Chairman, Executive Committee, Chessington
